NPS - Denver Service Center*

Denver Service Center
Planning, Design, and Construction Projects

Responsibility of the A/E Contractor

- Responsible for the **professional quality, technical accuracy, and the coordination** of all designs, drawings, specifications, and other services furnished by the Contractor under this contract.
 - The Contractor shall, **without additional compensation**, correct or revise any errors or deficiencies in its designs, drawings, specifications, and other services.

Responsibility of the A/E Contractor

- Neither the Government's review, approval, or acceptance of, nor payment for, the services required under this contract shall be construed to operate as a waiver of any rights under this contract, and the **Contractor shall be and remain liable** to the Government in accordance with applicable law for all damages to the Government caused by the Contractor's **negligent performance of any of the services** furnished under this contract.

Responsibility of the A/E Contractor

- The rights and remedies of the Government provided for under this contract are **in addition** to any other rights and remedies provided by law.
- If the Contractor is comprised of more than one legal entity, each such entity shall be jointly and severally liable hereunder.
